

2026 "410" SPRINT CAR RULES

Sharon Speedway will follow the World of Outlaws Sprint Car Technical Rules with the following exceptions at this time:

- Front axle tether systems are highly recommended
- Fire suppression systems are highly recommended

Mufflers are not required.

All procedural and scoring rules will be under the direction of Sharon Speedway.

World of Outlaws Rules are available at the following link: <https://dirtcar.com/rules/series-rules/world-of-outlaws-sprint-car-series/>
